This budget capacity calculation is based on the September 15, 2006 apportionment - these values are subject to change as FY 2006 Student Detail transactions are submitted and processed through any 15-915 requests. Current calculation uses SAIS data successfully submitted and processed as of August 31, 2006.

*** The required local funding for this district includes only the portion of the qualifying levy that is required by A.R.S. §15-918.05.
